

Tuesday Pottery

Instructor: Kristin Drummond

This class is geared to beginning or intermediate level ceramic artists. We will create both functional and sculptural pieces using basic handbuilding methods and professional pottery wheels. Direction will be customized to each student's interests.

Projects may include:

1. Introduction to Studio and Clay. Discussing Stages of Dryness & Firing Process. Making Bowls & Cylinders on the Pottery Wheel.
2. Introduction to Trimming, Including Options for Feet, Faceting and Carving
3. Options for Glazing
4. Creating Plates and Platters
5. Handbuilding
6. DIY Underglaze Transfers
7. Agateware (aka Marbled Clay)
8. Working with Clay Slabs
9. Final Class to Make & Trim
10. Final Glazing
